The Glow Martini glass table adds style and class to any entertaining area by mixing LED lighting that also Glows up the dark, with a silver finish. They can be used for many applications such as Bars, clubs, themed events or a stylish funky office.

Suitable for any area inside and out and as they're cordless and lightweight they can move wherever you need them to.

The Glow Martini glass top table is 95cm in diameter and 70cm and like all Glow products; it comes with a remote control and can change to many different colours at a push of a button
